DOXACON
Faith & Fandom Convention

What You Need to Know Before You Go

Here's everything you need to know about how to navigate this year's online event.

Find your Zoom links in the official event email.

A few days before the event, we'll send you an email with a link to a page on our website. That page will have all the links for the Doxacon event. Just click on the link for the talks, breakout rooms, and services offered at the conference.

Don't be a bunch of orcs!

Manners are back on the menu, boys! We are interested in creating a happy, healthy, constructive atmosphere at Doxacon Online. Moderators will give you one warning if you're not civil. After that, you'll be removed the session. We have two simple rules:

1 **Be respectful.** Don't use obscene, lewd, or excessively violent language.

2 **Be kind.** Don't insult, harass, or demean others.

Let's make Doxacon a welcoming place to be!
